We owe a great debt of gratitude to our guru, Sri Sathya Sai. In return, we should follow His precepts. He is the sweet spring water in the midst of the barren wilderness. The Lord is by your side, leading you forward. The Lord allows trials and tribulations to test your faith, and comes to your rescue at the end. A nightingale singing after dark is the sweetest and most beautiful. Through suffering we find happiness. Sri Sathya Sai is the sweet spring water of our life.
