you Sai zhang duo bi an di jia men Om Sri Sathya Sai Baba zhi zun

Sing the glory of Sri Sathya Sai Baba, the Supreme Godhead. You are the Guru to mankind, embodiment of Truth, exhorting us to seek our true self. All are one, coming from the same source and therefore we should treat each other as equals. Cultivate a firm and indomitable spirit, learn from the moral examples of past and present sages. Express gratitude to the great teacher, Sri Sathya Sai Baba. When we indulge in illusions, we fail to find the truth. We should cleanse our mind to achieve self-realization, and retreat from external illusions to seek the truth within. Go beyond the chaos of worldly life to understand the universe within the silence. Follow the teacher, Sri Sathya Sai Baba to keep away from worldly desires. Board the boat steered by Lord Sai, He steadies us through stormy seas. Fear not, even in the cold wind on a dark night. Together we shall reach home safely.
