普 天 之 下 处 处 一 片 昇 平
pu tian zhi xia chu chu yi pian sheng ping

The rhythm is exciting, the sound of the flute is pleasant and each musical note crystallizes a feeling of solace. The dance is wonderful and elegant. With every step, the sound of the dancer's ankle bells awakens the sleeping spirit. With each musical note comes the exhortation of Sai. Each dance step reflects the image of Lord Sai. Let there be peace around the world.
