Lord Vadivelan always protects all beings in the form of vibuthi. Have faith and miracles will come to heal all wounds. Lord Muruga with His sacred spear is my companion. Chant His name to remove illusions and find the Truth. Nurture my spiritual growth, stay calm in difficult situations and return to my true self in the midst of sensual desires. Lord Shiva is your father, Goddess Parvathi is your mother, Lord Ganesha is your elder brother and the soul who is singing this song is your child. My eyes will always look for you, Lord Muruga. My tears will be the abhisega holy water on you, Lord Muruga.
