Sai, the divine teacher, the spiritual mentor, is the teacher for all ages. Just as jade without chiselling will not become a useful object, a man without learning will not know the way. Put knowledge into action in order to reap the full benefits. Do not indulge in excessive desires and pride. Acknowledge feedback to scale new heights. The modest receive benefit, while the conceited reap failure. It is better to work hard than take shortcuts. Strive to transform by placing emphasis on moral values. The practice of Sai teachings is the way to realization.
