Lord Sathya Sai is God incarnate. He is the incarnation of truth, righteousness and love. When the soul is blessed with faith, ignorance is uprooted. Lord Sathya Sai heals your wounds and leaves no scars behind. Bow in gratitude at the most holy and auspicious Lotus Feet of Lord Sathya Sai, who will destroy all the fears of this world. Accept what has happened and see everything as it is. When you see that there is no right or wrong in life, you set yourself free.
