Lord Shiva is performing the intense and charming Thandava (Cosmic) dance. It is exquisitely graceful in pose and rhythm. The rattle drum in His hand is making the sound, "Dama, Dama Dama". The sound of the drum and the dance movements reinforce each other. O Lord Shiva, You are adorned with Vibhuthi, and humanity finds salvation. Seize the moment, seek within. Do not procrastinate. If I always wait for tomorrow, I will never accomplish anything.
