Sathya Sai the Supreme Guru, the embodiment of Truth. Through His grace and teachings I learn to discard illusion and uphold the Truth. Worldly affairs can no longer bind me; loss and gain in life can no longer move me. No dust is stirred, when the shadow of the bamboo sweeps the floor; no ripple on the water is caused, when the moonlight penetrates to the bottom of the lake. When deluded, the Three Realms appear real; once enlightened, all is empty. Purity is Divinity.
