

# 在晨光中 I feel Your warmth

I feel Your warmth in the morning sunshine  
I see Your form everywhere  
I see Your tears in the raindrops that fall  
I know You will come when I call

Om Mani Padme Hum Kuan Yin Pu Sa  
Om Mani Padme Hum

I hear Your voice in the song of the birds  
I feel Your caress in the breeze  
I know You hear when we call to You  
In my heart is your temple of peace.
